REV. JIM RICHARDS
Pastor, MCC-Knoxville
Candidate for Clergy Representative
District Committee - GLAD

In October, 1996, Mr. Richards celebrated four years as pastor of the Metropolitan Community Church of Knoxville, Tennessee. In February he had celebrated 35 years in ordained ministry. Jim was a Presbyterian minister prior to his work in MCC. He was licensed and ordained in May, 1994, after completing the required work prescribed for Transfer Clergy in MCC.

Richards chairs the communication committee of GLAD, and was the press officer for the MCC General Conference in Atlanta, in 1995. Jim is a member of the Knoxville Ministerial Association and the Knoxville Interfaith Network --- an interfaith, interracial organization dealing with community issues that concern the larger church community. Jim is a member of the Hate Crimes working group, launched by the FBI, the Knoxville and Knox County police authorities. The task of the working group is to examine hate crimes in the area and assist the police agencies in developing accurate record keeping and sensitivity in dealing with oppressed groups in the community.

Jim was an organizer of Love Delivers, a project providing hot meals to persons affected by AIDS in metropolitan Knoxville and served on its board of directors until it came under the aegis of AIDS Response Knoxville (ARK). Richards is an active member of Liberty and Justice, a gay rights organization spawned by the MCC congregation.

Richards is an accredited teaching pastor. MCC-Knoxville expects to be a teaching church. He has supervised the work of several clergy candidates during his tenure at MCC-Knoxville.

While a Presbyterian minister, Jim taught communication courses in five seminaries, including Roman Catholic, United Methodist, Southern and American Baptist and Nazarene. Having been pastor of several Presbyterian churches Jim was Deputy Director of Communication for the United Church of Christ in its headquarters offices in New York and has served in a variety of capacities on committees of the National Council of Churches.

In Knoxville Jim organized a support group for gay clergy of various denominations and developed a Bible and Lectionary study group of five pastors including Roman Catholic, United Church of Christ and Unitarian clergy. Membership in MCC-K stood at 85 when Jim came in 1994. Present membership is 132.

"Bio"

for

Mick Hinson

(Candidate for Clergy Representative)

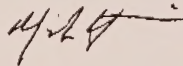

Currently, I am the pastor of MCC-Greenville in Greenville, South Carolina and have been pastoring MCC-G for the past four years. During this time, we have tripled in membership celebrating 121 active members and purchased our first piece of property last year. We are currently renovating it to meet our needs hoping to move into our building this December.

I have been a member of the Fellowship and this District since 1985 serving the District as part of the Reconciliation Team and currently serving on the Board of Ministry. I was Ordained Clergy in January 1996 and serve MCC-G full time. In addition, I own and manage, Associates For Positive Living, a psychotherapeutic firm, providing home based psychotherapy to HIV/AIDS challenged people. Two other therapist work for the agency.

Before moving to Greenville in 1992, I served as Student Clergy under Rev. Christine Oscar and completed my Residency year of Clinical Pastoral Education (C.P.E.) at Duke University Medical Center. During this time, I also worked as an Information Specialist for the Center for Disease Control's National AIDS Hotline. Previous to this, I was the founding pastor of Augusta MCC and served in that capacity for two years. My educational background includes an A.A. from Florida State University, B.A. from Huntingdon College, M.Div. from Duke Divinity School, and the Residency Program of C.P.E. at Duke University Medical Center.

I would enjoy serving the District in the capacity of Clergy Representative and if this is the Will of God and the Conference, I will serve the District through this venue to the best of my abilities. Thank you for your consideration.

In Christ,

Gulf Lower Atlantic District Clergy Prayer & Sharing Partners

As we discussed in clergy sharing at the last district conference, here are the list of "partners" for prayer and support until the next conference. It is suggested we have two weeks of intentional prayer. The first is the **week of Valentine's Day in February** and the other is the **week of Memorial Day in May**. Please uplift your partner at other times and get in touch with each other by phone. In each case I have listed the *church* phone number. If your partner wishes to give you their home number, it will be at their discretion. Thanks to Patricia and Mick for putting this together. -Reid

Have attended church since I was a child. Raised in a small independent Baptist Church where I accepted Christ as my Personal Savior at the age of 12. Joined the Presbyterian Church at age 18 and was baptized at age 19. During this period I sang in the choir and taught Sunday School.

During my ten years in the Navy I sang in choirs and directed the choir while stationed on the USS Yorktown.

Joined the Lutheran Church at age 38. While living in Richmond, Virginia. Served on Church Council, the Finance Committee and was Treasurer for eight (8) years. In 1983 I joined St. Lukes MCC in Jacksonville, Florida. While a member of St. Lukes I served as Greeter, Head Usher, on the Building Committee, Treasurer and as a member of the Board of Directors. In 1988, I transferred my membership to First MCC in Atlanta. Since joining I've served in various capacities including member of the choir, AIDS Ministry Committee, Finance and Budget Committees, as Treasurer, member of the Board of Directors, and Lay Delegate. I currently am a member of the Executive Committee of Excel International and serve as Treasurer.

Passed

Date: April 28, 1996
To: Gulf Lower Atlantic District of UFMCC
From: Cornerstone Metropolitan Community Church
RE: Bylaws of UFMCC Amendment Proposal

The following UFMCC Bylaw amendment is proposed by Cornerstone MCC to the GLAD District for ratification to be considered at General Conference in 1997 according to the process outlined in the 1995 revised version of UFMCC Bylaws (page 25).

Proposed Amendment:

Article IX Church Meetings, C. Local Church Bodies, paragraph 2 (begins line 14 of page 22) (At the beginning of line 22 ADD:) **A special meeting of a local church body may also be called by a vote of a three-fourths (3/4) majority of the Board of Directors/local church administrative body.**

RATIONALE:

The Board of Directors/local church administrative body is responsible for the legal organization of the church, its property, and financial affairs. It is also the pastoral search committee in the event of a pastoral vacancy. There are occasions in the life of a local congregation when a local board may wish to obtain specific and clear support of the congregation regarding major decisions such as the purchase of property, major expenditures, or other activities which according to UFMCC Bylaws are its responsibility. Yet the Fellowship bylaws do not give the board power to call a meeting for such purposes. Even when a pastoral search has found a suitable candidate for consideration of the local congregation, under the current Bylaws, a board cannot call a special congregational meeting by itself unless they are specifically so empowered in their local church Bylaws. While this may be remedied through local Bylaw provisions, it seems more reasonable to have this particular provision for local church boards to be able to call a special congregational meeting made explicit in the UFMCC Bylaws.

By-law Change proposal:

A New Work on its second anniversary, demonstrating stability and continuity, but not having achieved commission status, may be designated Mission Church by the District Committee, operating under the guidelines for New Works. The Mission church will have voice and vote at District Conference in the Lay House. A Commissioned Church no longer operating under the guidelines of Commissioned Church status may be designated a Mission Church by the District Committee.

RATIONALE: to recognize the steadfastness and accomplishment of the new work, and recognizing their two years of involvement in GLAD, this change will allow them to actively participate in District business.

PROPOSED CHANGES TO GLAD STATUS STANDARDS:

III. Special Ministries

ADD: Special ministries indicated by extraordinary circumstances, **not limited to but inclusive of any satellited, local church structures which solicit extra-metropolitan involvement or membership**, may be created and directly supervised by the District Committee, and/or through its appointment, by a local church.
